Your VA Certifying Official will process certifications at least 30 days prior to the first class day. However, it is recommended that you enroll early and have all paperwork completed, any schedule changes will delay your VA benefits and in some cases the Business Office will place a hold on your account. Holds will be released once payment is received by VA.

UNSATSIFACTORY PROGRESS, CONDUCT, AND ATTENDANCE

The law requires that educational assistance benefits to Veterans and other eligible persons be discontinued when the student ceases to make satisfactory progress toward completion of his or her training objective. The VA Certifying Official has the right to terminate your certification if at any time you stop attending classes and/or end up on academic suspension. By terminating your certification, you will be responsible to pay any debt incurred with the VA.

EDUCATION RATES

CHAPTER 33

Monthly Housing Allowance payment amounts are based on the Department of Defense's Basic Allowance for Housing (BAH) rates for an "E-5 with dependents" for the zip code of the school. BAH rates can be found through the BAH Calculator.

Monthly Housing Allowance amounts are prorated based on a student's benefit level and may be further reduced based on the rate of pursuit rounded to the nearest multiple of 10. Benefits are only payable when the rate of pursuit is more than 50%, and the student is not on active duty.

CHAPTER 30, 33, 35, & 1606

The most current education pay rates for each benefit can be found through the rate tables on the GI Bill website.

Any scholarship, waiver or institutional or employer-based aid that is provided directly to the institution and specifically designed for the sole purpose of defraying tuition and fees will be deducted from your VA tuition & fees and difference will be reported to VA.
